

MADE WITH LOVE

Made with Love is an initiative run by KIP and is all about providing home made meals, groceries and basic essentials to those in need. Although we can't run our sessions at the moment, we still want to keep helping our amazing charity partners as well as empowering our next generation of changemakers. Through KiP's Made with Love roster, you can sign up to donate goods to those who need it. You make/collect the goods at home and then deliver them to the charities. So far, we have the following charities participating;

[Anonymous X](#), Malvern East - 'Hand Sanitiser'

[Theodora House](#), Seaford - 'Food items'

[Belgium Avenue Neighbourhood House](#), Collingwood - 'Baked Goods'

[PCYC](#), St Kilda - 'Hampers'
